

call for artists

The Sculpture Center is seeking applicants for its 2022 *Revealed* Early Career Artist Series with an open call for artists. *Revealed* awards artists in the first ten years of their career the opportunity to create work for a solo show opportunity.

4-6 artists are chosen annually by a diverse exhibition committee for one-person exhibitions in a 1,000 or 750 sq foot space. The 6-7 week long exhibitions will be held January 2022-January 2023.

The Sculpture Center provides the artist with limited assistance during installation and de-installation, limited exhibition equipment, fine arts insurance while the artwork is on the premises, all publicity, an exhibition opening, the opportunity to speak at an artist talk, professional photography of the exhibition, and a catalog (if funding is available). Additionally, The Sculpture Center provides a small stipend to assist with travel or materials.
